Northamptonshire Healthcare N

An overview of the NHS in England Inter-Network Collaboration schemes

- East of England (EDEN)
- Kent, Surrey and Sussex (KSS)
- Greater London (LENDs)
- Midlands (MIDS)
- North (PANDDA)
- South and West (SWIMS)

INCDocs – a new scheme for NHS libraries

- Launched in May 2023
- Provided for NHS England by ThirdIron, using LibKey technology
- Uses holdings information from Holdings Management for each of the NHS Knowledge & Library Hub
- Search for articles by DOI or PMID
- E-journals only
- Statistics sent to libraries monthly

DECLINE REQUEST

INCDocs - limitations

- E-journals only
- Older articles harder to find – DOI needed
- Only includes NHS England libraries
- LibKey updates from Holdings Management not instant
- Local administrators can't suppress any holdings – e.g. token packages

Other schemes

Check schemes in the following order:

- INCDocs
- NULJ
- PLCS
- Inc Scheme (1. MIDS, 2. LENDS, 3. EDEN, 4. PANDDA, 5. KSS, 6. ...)
- Local arrangement with University
- British Library
- CFP sources – CLA document supply
- Last resorts HealthILL mailing list

A note about books

Check schemes in the following order:

- MIDS, LENDS, EDEN, PANDDA, KSS, SWIMS
- Consider purchase or Ebook loan from E-Book Central
- British Library
